## BELFORD VILLAGE/COMMUNITY HALL

The Belford Village Hall Group consists of Belford residents who responded to my initial appeal for support. We have eleven people in the group with representatives from the County Council, Parish Council, Community Group, Trustees of Belford and District Village War Memorial Hall as well as others volunteering their skills.

We would welcome new people to the group who feel they can help in the next stages:

- Gathering all evidence, historical and projected, to convince potential funders that we need and would ultimately use a hall.
- Registering with the Charities Commission and recruiting potential Trustees, before fund raising can begin.

There are a number of potential sites within the village that the group have declared an interest in. But, we need to make sure that all the background work is completed so if a site becomes available we are in the best position to act quickly. That is why the attached questionnaire is so important and we would urge you to return it with your opinions.

If you have difficulty returning the questionnaire, or would like to be involved with the group, please contact Brian Rogers via email: [brianrogers.uk@gmail.com](mailto:brianrogers.uk@gmail.com) or telephone Belford 219375.

Belford Community Group sponsored the development of the Belford Village website 2 years ago and we are really pleased with its success. This year we would like to offer every business within the Belford Parish boundaries the opportunity of a free advert for a year. All you will need to do is follow the link below and we will add your details to the website. Don't worry if you can't see a category that fits your business we will add any new ones that are needed.

The BCG continues to welcome new applications to fund future projects for the benefit of Belford community.

*If you like Northumberland, you'll love this!* From the county's coastal and fishing heritage to the National Park, coal mining and rural living, *Northumberland on Film* will take you on a visual journey through the history of the people and places of England's border country caught on celluloid over the last century. Selected from the vaults of the North East Film Archive this specially curated screening reveals a fascinating portrait of the county. From home movies, local documentaries and Tyne Tees Television productions, the films capture the changing landscape, industries, sights, sounds, faces and places of Northumberland.

This screening is brought to you by the North East Film Archive, as part of their *North East on Film* project, connecting the people and communities of the region with their film heritage, through special screenings and events and online activities. Supported by the National Lottery Heritage Fund. [www.belfordvillage.co.uk](http://www.belfordvillage.co.uk)
