Belford Community Cinema presents:

THE LAST SHEEP SALE and

THE TALE OF THE BELLINGHAM BELL

Northumberland Traditions - Gone But Not Forgotten

UPSTAIRS at Bell View, 33 West Street, Belford NE70 7QB

Wednesday 16th October 2019

Doors 6.30pm/7pm start. Running time: 72 mins. £4 on the Door.

For more than a century the auction mart was the focus of life in the picturesque market town of Bellingham. Farmers and shepherds came down from the hills to watch their sheep being sold in the mart's two ancient sale rings. But times change, with new animal health rules coming into effect the mart was forced to close in 2004. *The Last Sheep Sale* is a beautifully shot film encapsulating the atmosphere at Bellingham at the day of the final sale.

Plus *The Tale of the Bellingham Bell*, a memorable trip by steam on the old Wannie Line, made by amateur filmmakers. This charming short captures a day in 1964 when 350 Round Tablers took the now defunct railway from Newcastle to Woodburn via Morpeth, and 150 children from children's homes were taken in the opposite direction for a day trip to Morpeth.

BELFORD COMMUNITY & JUBILEE WOODLANDS

You may have noticed that both woodlands are not looking their best at the moment and work has stopped. That is because we have had to fall in line with new restrictions in a 'Volunteer Good Practice Guide' placed upon us by Northumberland County Council who own the land. This will be a good thing once it is finalised as it will cover all those working in the woodland and NCC for any injury claims etc. A work programme has been drawn up and risk assessments submitted and until they are approved (should be before end of August) no work can proceed. The responsibility for both woodlands will now come under the Belford Community Group and not directly under the control of NCC. However, NCC will have the final say on what is done or not done in both woodlands. A tidy up day for both woodlands is planned for Saturday 14th September from 1000 to 1200. If you would like to help, just turn up on the day and bring with you a pair of gloves, a spade or trowel, sturdy boots/shoes plus some enthusiasm!

Belford Hidden History Museum

MUSEUM NOTES AUGUST 2019

We continue to have a steady flow of visitors to the museum, many of whom leave very positive comments in the visitors' book. Currently, the Interactive Display in the Resource Area is being upgraded – look in and see what's new. Also, we are acquiring new catalogue software, which, once the existing entries are transferred, should make life significantly easier.

At the end of October this year we will have a special exhibition on Isabel Cowe, the suffragette who appears with her bicycle in the Museum's photo of the Marchers outside the Blue Bell. Look out for further information on this.

For next year we are planning displays on the Railway and Belford Station, and on the early schools in Belford, especially the National School and the Presbyterian School. If anyone can lend any items for either of these displays, we should be most grateful. The Museum has a range of opportunities for more volunteers – researching donations; helping prepare displays; cataloguing; digitising and listing photographs; stewarding special events; general museum maintenance; assisting at our Market Stall. If you would like to help please get in touch – belfordmuseum@gmail.com.
